

**BEEF CHINA PRODUCT ELIGIBILITY LETTER**

January 3rd, 2023

Dear Valued Customer,

Beef products from Tyson Fresh Meats establishments listed below eligible for export to China are designated by the product code in which the 8<sup>th</sup> character is 'M' [e.g., D-7109-ADM]. The product code is on the box end label and the Bill of Lading. This designation ensures that the product is generated from ractopamine free raw materials that meet the "Export Requirements for the People's Republic of China".<sup>1</sup>
